Our reputation speaks for itself.  
But it's our clients' words of praise that we cherish.

"You truly lived up to the partner role in every sense of the word, you far and away exceeded my every expectation. The 'décor' at the hotel was absolutely gorgeous. Every detail was perfect. You took our vision and added you impeccable taste and attention to detail and the results were magnificent.

The parties were also fantastic. You worked your magic and transformed the place, creating a fabulous vibe and a fun party. All of the activities you planned for our guests were also flawless. The vendors you selected and the execution were all right on target and our guests walked away with the well balanced BC experience we were hoping for and fond memories that will last a lifetime.

I can't say enough about how much we enjoyed working with you and your amazing team. You are all true professionals and more importantly, a pleasure to work with and to be around. Thank you, thank you, thank you for making NBC look so good and for making Vancouver Games the best of the eleven Olympic programs I've worked on. You are simply the best!"

"Your attention to detail and creativity really gave this event the "wow" factor we were looking for. We also appreciated your ability to think on your feet and make quick and appropriate changes when necessary. We will definitely recommend you to friends and colleagues who may be considering your area and have a need for an outstanding DMC".

*During this program our team magically transformed the ballroom from an elegant Black & Crystal seated dinner for 230 guests to a Red Hot Lounge in just 27 minutes, winning us the Canadian Special Events Society Star Award for Logistical Achievement.*
