Pair luxury and adventure with a meeting in Whistler

Whistler, B.C. – Secluded in the Coast Mountains, Whistler’s pristine crystal lakes and spectacular mountain peaks, it’s easy to get lost in endless excursions to be envied. Show your delegates a meet they won’t forget with one-of-a-kind experiences that go beyond your groups expectations. Evoke their inner Olympian with a private biathlon or bobsleigh, take flight to a remote ice cave, or restore your team’s mind, body and soul in a soothing mountainside Scandinavian bath.

Invigorate your group in both mind and body with an escape to the [Scandinave Spa](#). Allow them to rejuvenate in hydrotherapy as they discover the hot and cold outdoor baths while reveling in the serene surrounding cedar and spruce forest. Restore your team’s energy after a full day meet with a private yoga session or simply let them explore their own relaxation through the baths, saunas and steam rooms.

Pair luxury with adventure with an [ice cave exploration](#) in Whistler’s remote backcountry. Take flight with a scenic helicopter ride over an ice cap including incredible views of the surrounding Coast Mountains. Descend onto the ice cap and venture into a hidden ice cave. Privately guided, learn about the landscape and formation as you explore the icy aqua-blue laminated caves. Indulge later with a savory mountain top lunch finished perfectly with a glacier tee off.

Pump up the adrenaline with a bobsleigh ride down the [Olympic Sliding Centre](#), a 2010 Olympic Winter Games venue. Reach speeds up to 90km per hour while gliding through 10 corners on a bobsleigh on wheels. Challenge the group’s marksmanship at the Olympic biathlon range in the [Whistler Olympic Park](#) in the Callaghan Valley; home to the 201 Olympic Winter Games Nordic events including Cross Country

Skiing, Biathlon and Ski Jumping.
